USDAW THE TRADE UNION FOR ALDI WORKERS

Usdaw
*Union of Shop, Distributive
and Allied Workers*

YOUR SERVICES | YOUR SUPPORT | YOUR PROTECTION | YOUR VOICE | YOUR UNION

WHY PEOPLE JOIN USDAW

Udaw is a trade union that **specialises in retail and distribution**. We have over 300,000 members in the retail sector so we understand the challenges that workers in retail face.

We have a strong history of getting the best possible deal for our members, as well as providing top services and benefits such as our free Legal Plus service.

From talking to our members in Aldi, we know you may face difficulties with unrealistic scanning rates, uneven shift patterns and working hours, and even bullying from managers. Usdaw wants Aldi workers to get a **fairer deal at work**. To achieve this we need you and your colleagues to **join Usdaw**.

By joining Usdaw you can have a **stronger voice at work**. The more members there are at your workplace, the stronger the voice of the Union within Aldi – at both a local and a national level.

Udaw can provide help if problems arise at work. By joining Usdaw you will get access to professional trade union **advice and support** on any problem at work.

The Union has made a number of approaches to Aldi over trade union rights in the business. So far, Aldi have refused to 'recognise' the trade union. If more Aldi workers join the Union, we will be able to make a stronger case to get Usdaw recognised at all levels of the Aldi business.

More and more Aldi employees are joining the Union. Join online at www.usdaw.org.uk/aldi

GOOD REASONS TO JOIN USDAW

BETTER PAY

Usdaw negotiates pay on behalf of hundreds of thousands of workers across the retail sector. Getting the best possible deal is our number one aim. Usdaw wants to win negotiating rights at Aldi.

IMPROVED TERMS AND CONDITIONS

Trade union organised workplaces have better holiday entitlement, improved pension provision and arrangements for time off work. Usdaw aims to improve the things that matter at work such as holidays, pensions and shift arrangements.

WORK/LIFE BALANCE

Usdaw knows that it is important to get a work/life balance that's right for you. You need to know in good time how many hours you will be working and when. Usdaw negotiates to get the fairest possible shift allocation system – and we are campaigning to scrap unnecessary short-hours contracts.

SAFER WORKPLACE

You are twice as likely to have an accident in a workplace where there isn't a trade union. Usdaw makes sure safety at work is taken seriously. The Union works to spot potential hazards and get things changed for the better.

PROTECTION AT WORK

By ensuring that members have strong advice and support, Usdaw is able to protect people at work and resolve issues before they become major problems. Without a union you are on your own and will get a worse deal if faced with changes at work.

RESPECT AT WORK

Usdaw believes that managers should treat employees with respect – there must be no place for bullying in the workplace. Usdaw also runs a major Freedom From Fear national campaign calling on shoppers to show respect to shopworkers.

FAIRNESS AT WORK

Usdaw organised workplaces are fairer workplaces. Usdaw aims to secure support for family friendly policies and flexible working arrangements that work for employees.

LEGAL & ACCIDENT COVER

Usdaw's legal service wins millions in compensation each year for members. Our legal service is entirely free to members – you don't pay a penny. No one plans to have an accident but if you do Usdaw will help you with your claim for compensation for any accident. We'll also provide you with free legal advice on any issue.

ADVICE & SUPPORT

Usdaw Officials are available to advise Usdaw members when you need it. The Union employs specialists in employment law, pensions, and health and safety to support and help members.
