# Learning through the Usdaw Gateway

Poster NB23 November 2021

## Ushaw's Learning Gateway can start you learning in whatever subject you are interested in.

- You can find courses to improve your English and Maths, develop your digital skills or learn a language.
- You can use the Gateway for personal and career development or just to learn for interest or fun.
- The courses are either online or 'distance learning' so you can learn wherever you want to at the time that suits you.
- Many of the courses are free or subsidised for Ushaw members so everyone can afford to learn.

### How does it work?

To get started, go to the Learning Gateway and click on the subject you are interested in.
