

Usdaw's Transport Section for All Professional Drivers

We look after the interests of Usdaw members who drive for a living. This includes representation on pay and conditions of employment.

Companies where we have agreements covering drivers include:

AF Blakemore, Booker, Co-op, DHL, Evri, GXO, Martin Brower, Morrisons, Next Distribution, Ocado, Sainsbury's, Tesco, Wincanton, and Yodel.

- We maintain an up-to-date information system on transport matters and provide help and advice to members.
- We give you a voice through your own representative on the National Road Transport Committee - Usdaw's national forum for transport matters.
- We operate a Road Transport Distress Fund for members who receive work-related penalties for motoring offences.
- We'll give you a FREE copy of the Usdaw Drivers' Handbook containing valuable information and advice.
