# Sexual Harassment ...

8 out of 10 young women in Usdaw have experienced sexual harassment in the last 12 months ...

*"I haven't worked there that long and I don't feel able to stand up for myself - other people may think I don't have a sense of humour and I want to get along with everyone.."*

... it's **NOT** ok!

For help and support in challenging sexual harassment, contact your Usdaw rep, call Usdaw on **0800 030 80 30** visit [www.usdaw.org.uk/equalities](http://www.usdaw.org.uk/equalities) or email [equalitymatters@usdaw.org.uk](mailto:equalitymatters@usdaw.org.uk)
