Good reasons to join Sata

Better Pay

Sata helps people at work by negotiating better pay and conditions. Every year Sata negotiates improvements to pay for hundreds of thousands of members.

Safer Workplace

Workplaces with unions have far fewer accidents. With 4,000 Health and Safety Reps, Sata makes sure that your safety at work is taken seriously.

Better Conditions

Sata works to get Union members better holiday entitlement, good pension provision and improved arrangements for time off work. By negotiating with employers, Sata is able to make your life at work better. Negotiations aren't just about pay as we aim to improve the other things that matter at work, such as holidays, pensions, shifts, etc.

Advice and Support

10,000 workplace reps advise and support you at work and are backed up by highly trained Union Officials. Specialists in the fields of pensions, health and safety, education, management, wages and employment law are all on hand to help.

Your Voice

With over 10,000 workplace reps, Sata gives you a strong voice at work. Without a union you are less likely to have a say in your terms and conditions and how your employer operates.

Opt in to the Political Fund

The Political Fund supports the Union's campaigns and helps to fund the lobbying of politicians on issues that matter to Sata members. Opt in to the Political Fund on the membership form to support our campaign work that gives our members a voice.

Fairness at Work

Union workplaces are fairer workplaces and are much more likely to have family-friendly policies. By negotiating with employers, unions are able to secure better deals for members on issues such as career opportunities, flexible working arrangements and general support for family responsibilities. In short, unions help you achieve a work-life balance without being penalised for it.

More Job Security

Sata works to protect jobs and deliver job security for members. Without a union you are on your own if faced with change at work or redundancy.

Protection at Work

By ensuring that Union members have strong and effective representation, Sata is able to protect people at work and help resolve issues before they become major problems. Sata ensures that members are aware of their rights in the workplace.

Legal and Accident Cover

The Union's legal service wins millions in compensation each year for members and their families. As a Sata member, the legal service is entirely free - you don't pay a penny. No one plans to have an accident but if you do, the Union will help you with your claim for compensation for any accident, anywhere and if you win your case you keep 100% of the compensation. The Union will also provide you with free legal advice on any issue.
