

“There’s never a dull day as a stand down rep – every day is different. I love spending time carrying out Union work so getting to do it for weeks at a time is great.

I get to see Union membership helping people where it matters – in the workplace.”

Usdaw reps do a fantastic job and are at the forefront of making lives better for our members. Many reps have extended their role beyond their own workplace by becoming a stand down rep.

Stand down reps spend time visiting workplaces to talk to potential members about the benefits of joining Usdaw. This can be a difficult job at times but can also be extremely rewarding.

We’ll make sure that you are properly supported and developed for your new role. And we’ll sort out the arrangements so you get the time to do it and get paid whilst stood down.

So, if you fancy giving it go – fill in the back of this card and send it back to me.
