

Sexual Harassment Survey

In a recent survey, the TUC found that one in two women have experienced some form of sexual harassment. Usdaw is carrying out this survey to find out more about whether sexual harassment is an issue for Usdaw members and non-members. We are doing this so that we can better support members who have experienced it.

Could you spare us a few minutes to answer the following questions?

Your response will be confidential and you do NOT have to provide personal details.

1. Are you:

Male Female

2. Age:

16-24 25-39 40-49 50+
