# Pensions Home Study

An illustration of a man with brown hair, wearing a blue long-sleeved shirt with the 'Usdaw' logo on the chest and grey trousers. He is holding a white tablet in his left hand and pointing with a white marker in his right hand towards a flipchart. The flipchart is on a silver stand and has the following text written on it: 'Sign-up for Usdaw's new online Pensions Home Study Course'. The background of the entire image is a light brown color with a faint, repeating pattern of interlocking puzzle pieces.

## Please fill in your details and return to your Usdaw rep. We will then contact you with further details on how to sign-up for the course.

- It will help you understand the different types of pension scheme on offer today and help you improve your pension knowledge.
- You will build up confidence about your own pension, which will help you answer other people's pension queries in your workplace.
- The course is straightforward and easy to follow and is completely FREE for Usdaw members.
- The course consists of four small modules, each taking approximately 30 minutes to complete.
- Each module must be completed within two days of you receiving your unique course link. You will be able to revisit the course as many times as you like within the two days - your progress will automatically be saved.
- When you complete the course, we will send you an Usdaw Certificate.
