Hi there, we're the **UK's number one** SIM card distributor looking to recruit some talented field sales people at different levels to service independent retail and multi-site convenience stores.

We've just had a great year working with **all the major UK mobile networks** to expand their reach and enhance their brand. Now, we need to continue to grow with our network partners and develop new business for one of the fastest growing products of convenience stores, e-cigarettes.

We pride ourselves in delivering value to partners and customers, maintaining and exceeding standards and developing trusted relationships with our retailers so they're passionate about working with us exclusively.

So, here are the roles we're recruiting for to grow **both our Mobile SIMs and e-cigarette businesses**:

Promotional Sales Staff

London, Leeds, Manchester,
Birmingham, Liverpool, Leicester

- Full and part time positions
- £7.50 - 8:50 per hour
plus commission

Field Sales Representatives

UK-wide

- Full and part time positions
- £18,000 - £20,000 per annum
plus bonus

Business Development Managers / Sub-Team Leaders

Birmingham, Manchester, London

- Full time positions (40 hour week)
- £26,000 - £34,000 per annum
plus bonus

**If you are talented,
energetic, enthusiastic,
positive and tenacious,
we want to hear from you!**

We would require you to have:

- Excellent communication and inter-personal skills
- A smart and professional appearance with a strong work ethic
- The ability to work well alone and as part of a team
- Previous event/sales/business development experience (preferably 2 years in the same/similar industry)
- A good understanding and passion for people, retail and sales

Telecommunications sales experience is preferred but not necessary.

To help you be successful in your role, we provide on-going job and product training and development, as well as supply you with the necessary and market leading technology.
