# TUC Hazards at Work Manual

**Order your copy now!**

A completely new version of *Hazards at Work* is now available from the Central Office stationery department.

*Hazards at Work* is the definitive TUC guide to health and safety for trade union safety reps. The new version consists of 52 chapters in a 334 page A4-sized book. It has been completely revamped to make it even more practical and user friendly than the previous ring-binder version.

Single copies direct from the TUC will cost around £15 for safety reps. Usdaw's Health and Safety section has secured a bulk purchase discount. If you order your copies from the Usdaw stationery department they cost branches and safety reps £12.00 plus £1.20 p+p (£13.20 in total). They will also carry the Usdaw logo on the front cover.

The *Hazards at Work* manual is an essential book for safety representatives. A complete new edition will be published every two or three years to ensure that reps are kept fully updated.
