

# ***Lifelong Learning*** **Publications**

Usdaw produces a wide range of booklets, leaflets and posters to help and support Union Learning Reps. They are all on Usdaw's Lifelong Learning website [www.usdaw.org.uk/lifelonglearning](http://www.usdaw.org.uk/lifelonglearning) so you can read them online or download them. Alternatively you can order them by completing the form on the back of this leaflet and returning it to Usdaw's Education Department.

## ***Booklets***

### ***Promoting Lifelong Learning - Nine Steps to a Smarter Workplace***

This guide is intended for use by Area Organisers, Union Learning Reps and

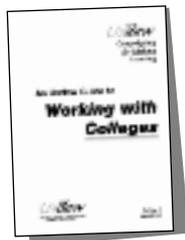

Senior Stewards and describes the conditions necessary if you are to organise a successful learning initiative at your site. It is of most use to the larger better organised site

### ***An Usdaw Guide to Dyslexia***

This booklet is for Union Learning Reps and Shop Stewards and aims to give straightforward information about

dyslexia. It aims to help members who have dyslexia and let them know what they can do about it and give some guidance to Union Learning Reps on helping a member when dyslexia is causing a problem at work

### ***An Usdaw Guide to Working with Colleges***

This guide would be useful to Union Learning Reps who are developing access to learning for

members at their site – particularly sites approaching colleges for the first time
