Learning through the Usdaw Gateway

Usdaw's Learning Gateway can start you learning in whatever subject you are interested in.

- You can find courses to improve your English and Maths, develop your digital skills or learn a language.
- You can use the Gateway for personal and career development or just to learn for interest or fun.
- The courses are either online or 'distance learning' so you can learn wherever you want to at the time that suits you.
- Many of the courses are free or subsidised for Usdaw members so everyone can afford to learn.

How does it work?

To get started, go to the Learning Gateway and click on the subject you are interested in.

www.usdaw.org.uk/LearningGateway

Once you click on the subject area you will see a list of learning sites with short descriptions of the courses on offer and whether there is a charge.

Have a look around these sites to see what's best for you. When you find the right course, you can start learning right away!
